## **A. Ghabeli:**

„3D modeling of a superconducting dynamo-type flux pump“

*Scientific Reports*

## **R. Ries:**

„Improvement of the first flux entry field by laser post-treatment of the thin Nb film on Cu“

*Superconductor Science & Technology*

## **Z. Zápražný:**

„Testing of thickness homogeneity of Si crystal membranes using GaAs Timepix detector“

*Journal of Instrumentation*

## **J. Kuzmík:**

Analysis and Modeling of Vertical Current Conduction and Breakdown Mechanisms in Semi-Insulating GaN Grown on GaN: Role of Deep Levels

*IEEE Trans. on Electron Devices*
