4th International Workshop on Numerical Modelling of HTS: Conceptual program

**Sunday 11th**
- 8:30-9:00: Welcome address
- 9:00-9:45: John Clem Memorial Session
- 9:45-10:30: Plenary Session
- 10:30-11:00: Coffee break
- 11:00-14:00: Slowly Changing Magnetic Fields: Finite Element Methods
- 13:00-14:00: Lunch
- 14:00-15:10: Poster session
- 16:30-17:00: Coffee break
- 17:00: Registration opens
- 17:00-18:00: Rotating Machines
- 18:00-20:00: Welcome reception

**Monday 12th**
- 9:00-10:30: Magnets and SMES
- 10:00-11:00: Coffee break
- 11:00-13:00: Novel phenomena and metamaterials
- 13:00-14:00: Lunch
- 14:00-15:10: Poster session
- 16:30-17:00: Coffee break

**Tuesday 13th**
- 9:00-10:30: Bulk Magnetization
- 10:00-11:00: Coffee break
- 11:00-13:00: Thermal, quench and mechanical modelling I
- 13:00-14:00: Lunch
- 14:00-15:10: Thermal, quench and mechanical modelling II
- 16:00-17:00: Organized discussion
- 17:00: Conference dinner and boat trip

**Wednesday 14th**
- 9:00-10:30: Coffee break
- 10:00-11:00: Discussion conclusions
- 11:00-12:45: Closing remarks
- 12:45-13:45: Lunch
- 13:45-15:15: Lab tour to Institute of Electrical Engineering, SAS
