

# Publikačný seminár

**A. Rosová:**

„Effect of different B powder precursors on microstructure of MgB<sub>2</sub> wire prepared by modified internal magnesium diffusion technique“

*Superconductor Science & Technology*

**P. Kováč:**

„Filamentary MgB<sub>2</sub> wires manufactured by different processes subjected to tensile loading and unloading“

*Superconductor Science & Technology*

**K. Neilinger (Sečianska):**

„Study of magnetic micro-ellipses by cantilever sensor“

*Acta Physica Polonica A*

**Čas: 21. apríl 2017 o 10:00 hod.**

**Miesto: veľká zasadačka EIÚ SAV, miestnosť 101**
